## 6. Feel free to let us know any additional subjects we should have covered

- “ HIV & young people.
- “ I really like the exchange of experiences, it's very important.
- “ Education of children, young people, adults. What methods to use to reach the different groups. What is the situation in the UK?
- “ I think this is a very important meeting for us nurses who work with HIV patients; for us women. It's an important meeting for me.
- “ Breastfeeding by HIV-positive women. The pyramid of women's needs.
- “ Caring for us patients on the ward. How to talk to newly diagnosed HIV (+) people.
- “ Very good meeting, conducted at a high level. Great organisation.
- “ I am very happy to be here with you.
- “ Education about HIV/AIDS.
- “ The nurse at work with the HIV-positive patient - her needs.
- “ The nurse - her needs! Problems, expectations when working with an HIV-positive patient.
